FOR TEACHERS AND PARENTS

Answer key: commonly confused words

1 Sort the words

shows who owns it: their, your, its, whose

two words joined: they're, you're, it's, who's

2 Find it in a sentence

1. to 2. too 3. two 4. there 5. their 6. They're 7. your 8. You're

3 Write it

1. two 2. there 3. You're 4. too 5. Their 6. It's

4 Teaching tip 💡

Give each word a memory hook: there has here inside it (a place); their is for people who own something; they're has an apostrophe because a letter is missing (they are). Then read the long form aloud to check: if "they are" fits, write they're.

Watch for: Using there for every sound-alike, as in "there dog." Ask, "Does it show who owns it, or a place?"
