# How to draw a house

Name _____ Date _____

**I can draw a house, one step at a time.**

## 1 Follow the steps

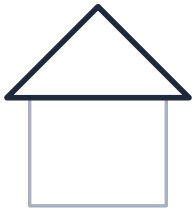

The dark lines are new in each step.

**1**

Draw a square for the walls.

**2**

Draw a big triangle on top for the roof.

**3**

Draw a door in the middle with a round knob.

**4**

Draw two windows with crosses in them.

**5**

Add a chimney and some smoke. Then color your house.

**6**

All done! Now color your drawing.

**Did you know?**
The roof slopes down so that rain runs off it.
