How to draw a penguin

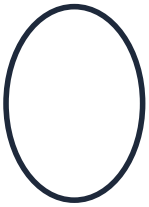

Name _____ Date _____

I can draw a penguin, one step at a time.

1 Follow the steps

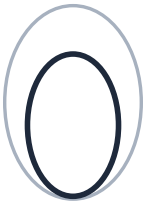

The dark lines are new in each step.

1

Draw a big egg shape for the body.

2

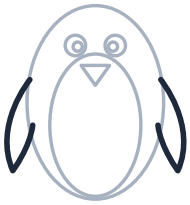

Draw a smaller egg shape inside for the white tummy.

3

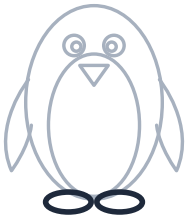

Draw two eyes and a pointy beak.

4

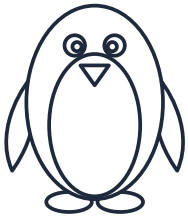

Add a wing on each side.

5

Draw two orange feet at the bottom. Then color your penguin.

6

All done! Now color your drawing.

Did you know?
Penguins are birds, but they cannot fly. They swim very fast instead.
