Name _____ Date _____

I can read words with ee and ea, like bee.

1 Say each word. Listen for the long e sound.

bee

tree

sheep

wheel

leaf

seal

peach

eagle

2 How to say it

Two vowels go walking: in ee and ea the e says its name, as in bee and leaf. Both teams make the same long e sound, so children learn which spelling each word uses by reading it often.

5 Teaching tip

Two vowels go walking: in ee and ea the e says its name, as in bee and leaf. Both teams make the same long e sound, so children learn which spelling each word uses by reading it often.

Watch for: Reading ea as short e in every word. Most ea words say long e (eat, sea), but a few say short e (bread, head). Teach those few as exceptions.
